**Proposer:**

**JTS Technology Solutions, Inc.**

### QUALIFICATIONS EVIDENCE GUIDE

The Proposer must address all items detailed below and provide, in sequence, the information and documentation as required (referenced with the associated item references). The Proposer must also detail the proposal page number for each item in the appropriate space below, and use this guide to cover the Qualifications Evidence section of the proposal (as its table of contents).

Prior to State evaluation of Qualifications Evidence, the RFP Coordinator will review each proposal for compliance with all RFP requirements, including but not limited to:

- The proposal must be delivered to the State no later than the Proposal Deadline.
- The Qualifications Evidence and the Cost Proposal must be packaged separately as required.
- The Qualifications Evidence must NOT contain cost or pricing information of any type.
- The proposal must NOT contain any qualification, limitation, or other restrictions.

The Proposal Evaluation Team will, then, review the Qualifications Evidence to determine if the mandatory requirement items are addressed as required and that it documents that the Proposer meets each mandatory qualification and experience requirement and is otherwise, at least, minimally acceptable as a contractor for the subject services.
